Lina Akeel Salman
Msc in computer engineering

Email : Lina.A.Salman@uotechniology.edu.iq

Location: Laser and Optoelectronic Department, University Of Technology, Baghdad, Iraq

Personal information:

Gender :

Female

Nationality:

Iraqi

Mobile number:

Education:

-BS.c in computer engineering

computer engineering department, al- Mustansiriya University, Baghdad.

- MS.c. in computer engineering

Control and system engineering department, University of technology , Baghdad.

My research field:
Information Security, Cryptography, Image Compression, Image processing.

Employment:

Academic lecturer (since 2023)

Laser and optoelectronics engineering department – university of technology- Baghdad – Iraq.

Title	year
Selective Medical Image Encryption Using Polynomial-Based Secret Image Sharing and Chaotic Map	2022
Automated brain tumor detection of MRI image based on hybrid image processing techniques	2022
FBG humidity and temperature sensor based on ANN for environment application: sensitivity improvement	2024
FBG humidity and temperature sensor based on ANN for environment application: sensitivity improvement	2024
